J. M. Strother, of Woodbury,
Ga., is with his family here for a
short while. He is driving a hand-
some Chalmers-Detroit auto, one of
the finest machines that has paid a
visit to Walhalla.

Married, on Sunday, June 12th,
at the home of the bride's parents,
Mr. and Mrs. E. P. Wood, of Wolf
Stake, Oconee county, Miss Bettie
Wood and Russell Hadden, of Dun-
can, S. C. The young couple have
the best wishes of numerous friends.

Miss Elsie Smith, of Woodbury,
Ga., is visiting her friend, Miss An-
nie Verner. Miss Smith is pleasantly
remembered here by quite a number
of friends, she having spent some
time here as a visitor at the Verner
home last year.

ster, S. C.

David C. Strother left last week
for an extended European trip. He
will be absent from home some three
months, during which time he will
visit several of the countries on the
other side. He has hosts of friends
to wish him a pleasant and profitable
trip.

Rev. John B. Tramel will preach
at Oconee Station school house on
the third Sunday afternoon in June
at 4 o'clock. There will also be an
all-evening singing at the same place.
A cordial invitation is extended to all
to attend both the preaching and
song services.

Rev. A. P. Marett, general mis-
sionary of the Beaverdam Associa-
tion, will preach at Double Springs,
Anderson county, on the third Sun-
day in June at 11 o'clock a. m., and
at Oakdale, Anderson county, on
the same date at 3 o'clock p. m. Cor-
dial invitation to all to be present.

Just received another car load
of High Point buggies. Every one
sold under a personal guarantee.
W. M. Brown, Walhalla.

J. R. Earle and family were the
first, so far as we have heard, to en-
joy roasting ears this year. On last
Sunday they had their first from
their garden. Chas. Merritt is the
energetic gardener who brought this
about. He has been doing some ex-
cellent gardening and trucking on
the home place of his brother-in-law,
Mr. Earle, in Midway.

H. A. Miller, Esq., has located
in Walhalla for the practice of law.
He will have an office in the same
building with Stribling & Dendy, on
the Public Square. Mr. Miller is a
graduate of the law department of
the University of Virginia, but is
originally from Pendleton. He will
practice in all the courts. He has
also formed a partnership with Pro-
ctor Bonham, Esq., and the firm will
practice on the civil side of court.
Mr. Miller is a young man of pleas-
ing address and will be most cordi-
ally welcome to our midst. Mr. Mil-
ler has practiced two years in the
courts of California.

Prof. J. W. Gaines, who recently
resigned the presidency of Cox Col-
lege, Atlanta, Ga., to become the
dean of Shorter College, Rome, Ga.,
is visiting his relatives and friends at
Westminster, Townville and Wal-
halla. Prof. Gaines was superintendent
of the Westminster schools some
fifteen years ago, and his friends are
glad to see him again. He talks in-
terestingly of the greater Shorter
College. J. L. Bass, a wealthy citi-
zen of Rome, has given the college
\$40,000 and other citizens are rais-
ing \$200,000. With these funds ex-
tensive enlargements will be made,
making room for six hundred girls.
A faculty of the foremost teachers in
the South have been engaged, which
facts will make it unnecessary for
our girls to go North for their uni-
versity training. Quite a number of
South Carolina girls have already
been enrolled for the coming session.
We are glad to hear of this great
work for Southern women, by South-
ern men and Southern money.

ly welcoming them on their annual visit
to this hospitable home and to our
town and community.

throp College is expected to return
home this week. The following
young ladies have been attending
this noted institution of learning the
past session: Misses Irene Strother,
Lola Kaufmann, Gussie DuPre, Ger-
trude Blumann, Frances Stribling.
They will be most heartily welcomed.

Married, on Sunday, June 12,
1910, near Salem, by W. A. Grant,
Magistrate, Mack Smith and Miss
Ella Talley, both of the Salem section
of Oconee. Mr. Smith is a son of
Lester Smith, of Newry, and Miss
Talley the youngest daughter of Mrs.
Robert Talley. Many friends join
us in wishing them a happy and
prosperous journey through life.

John S. Goodman, of Clemson,
was here for a short while Tuesday,
and his many friends will be pleased
to learn that there is a possibility of
his becoming a resident of Walhalla
again. He is pleasantly remembered
here, he having at one time lived
here. He and his wife will be most
cordially welcomed here should they
decide to come among us again.

Mr. and Mrs. W. H. Cary and
family, who reside near Walhalla,
will move into town next week. They
will occupy the cottage residence of
J. W. Holleman on Tugaloo street.
They will be most cordially welcomed
by many friends. Mr. Cary will re-
tain his splendid farm near town, on
which he has some fine crops this
year.

The "W. O. W." picnic last Sat-
urday was not largely attended, but
those who were present enjoyed a
pleasant day and had plenty of good
things to eat. There were several
addresses that were of interest to
members of the Woodmen of the
World. Those in charge regretted
that they did not have an opportu-
nity of meeting more of their friends.

pound sack; \$6 per barrel. Every
sack guaranteed. Moss & Ansel.

The special message Pastor Ep-
ting has for the congregation of St.
John's Lutheran church will be pre-
sented next Sunday if the weather
permits a full attendance of the
members. It is a message he has
for all of them, and he is saving it
for a fuller attendance. Be sure to
come and get the benefit of what he
has to tell. It will be worth much
to you as a member.

We are informed that the citi-
zens of Westminster are circulating
a petition asking the City Council
of Westminster to pass an ordinance
requiring the Southern Railway to op-
erate no trains through said town at
a greater speed than five miles per
hour, to be preceded by a flagman.
This is due to the reckless running
of trains through Westminster at and
near school hours.

If you are not strong enough to
sew all day with your sewing ma-
chine, try the ball bearing White or
New Home. Sold by D. S. Abbott,
Walhalla, S. C.

J. H. Barnett left at The Courier
office last week several heads of
wheat, selected at random from his
crop on his farm near Westminster.
The wheat is large and fine, and Mr.
Barnett confidently expects to thresh
75 bushels from the yield of his acre.
This is Mr. Barnett's prize acre. He
usually comes up with the best crops
on an average in the county, and his
prize crops are also at the top notch.
He either wins the prizes he works
for, or gives the winner a good run
for his money.

The Walhalla "Midgets" were
defeated by the Seneca second team
on the latter's diamond last Friday.
Seneca 24 will play Walhalla 2d
here next Friday afternoon. Rain
broke up last Saturday's game in
the first inning, dis-painting the
large crowd of spectators who sur-
rounded the field. No doubt it would
have been a close contest, for the
teams were evenly matched. Every-
body came out to the game next Sat-
urday, when either Richland or
Westminster will be the attraction.
Notices will be posted in the post
office as to which team will be here.

When you want the best buggy

der, Walhalla.

The regular meeting of the Paul
Hayne Circle was held with Mrs. T.
B. Epting on Tuesday, June 7th. Af-
ter the program and business for the
day had been disposed of Mrs. Ep-
ting graciously invited her guests on
a "fishing trip." Amid much laugh-
ter and guessing the members were
ushered into the library, where pret-
ty little tables were found, on each
of which were four miniature boats
bearing inscriptions, in which was
hidden the owner's name. After all
had discovered their boats Mrs. Ep-
ting requested that the small piece
of paper found in each one be used
to tear out a fish. This occupied sev-
eral minutes, and then the fishes
were collected and carried away to
be judged. A delicious fish course
with ice-cream was served, after which
the prize was awarded. It was de-
cided that Miss Cora Strong had
made the best fish and she was pre-
sented with a pretty picture of sev-
eral of the deep sea dwellers. The
members who enjoyed this original
meeting were Mesdames James H.
Darby, J. W. Bell, Sidney Adams,
G. M. Ansel, C. W. Banknight, J. A.
Steck, J. A. Ansel, and Misses Ger-
trude Smith, Janie Neville, Mary An-
sel, Alice and Daisy Strong, Ruth
Walker. Guests of the club were
Mrs. D. Bloomer, of Baltimore;
Mrs. O. L. Garwood, of Atlanta, and
Miss Cora Strong.

Anson A. Merrick left Tues-
day morning for New York, where he
has gone to resume his duties in con-
nection with the United States Navy.
His short visit was the source of
much pleasure to his relatives and
hosts of friends here.

Jesse W. Rankin left Saturday
for Atlanta, where he will spend a
few days. It is understood he will
go from there to China, California,
where he made his home for several
years. His friends here wish him
much success wherever he may cast
his lot.

The ladies of the Monument As-
sociation are requested to meet at
the home of Mrs. W. A. Strother to-
morrow (Thursday) afternoon at 4
o'clock. A full attendance is desired
as business of importance will come
before the association.

Hon. Coke D. Mann is announ-
cing this week as a candidate for Con-
gress from the Third District. He is
receiving flattering encouragement
in his race for a seat in the National
House, and feels confident of his suc-
cess. His pledge was filed with the
State Executive Committee this week.

Hear the Wofford Quartette Fri-
day night at Pitchford's Hall. This
quartette comes to Walhalla highly
recommended, and we bespeak for
them a large and appreciative audi-
ence. Their appearance here is un-
der the auspices of the ladies of the
Methodist church of Walhalla, who
will receive a percentage of the re-
ceipts of the door. Be sure to at-
tend. Prices 25 and 50c.

The sad intelligence was receiv-
ed here this morning announcing the
death in Greenville to-day of the in-
fant daughter of Mr. and Mrs. B. S.
Look. The body will be brought to
Walhalla to-morrow at noon for bur-
ial in Westview cemetery. The be-
rieved parents have the sympathy of
many friends in their sorrow. The
little one had never been very strong,
and for several weeks had been de-
clining in health.

The ladies of the Monument
Association are pleased to acknowl-
edge the contribution last week by
R. T. Jaynes, Esq., of \$15. There are
a number of other citizens of Wal-
halla and Oconee from whom the
ladies are expecting to be favored
with liberal contributions. It is their
desire, if possible, to discharge every
cent in connection with the erection
of the monument by the time the un-
veiling takes place. If you will con-
tribute something it will be greatly
appreciated.

Officers Harbin, Mitchell, Reid
and Jones made a raid in the Holly
Springs section yesterday and de-
stroyed an illicit distillery, which
consisted of five fermenters, furnace
and twenty gallons of mash. The
officers also destroyed a keg of
"backings." Had the officers arrived
a few hours earlier the operatives
would have been captured, as the
furnace was very hot on their arrival
at the site. No arrests have been
made, but the owner of the still is
known to the officers, and his arrest
will probably follow later.

An event of more than usual in-
terest locally is the coming marriage,
to-morrow at high noon, at the home
of Mr. and Mrs. John D. Verner, near
town, of their youngest daughter,
Miss Annie, and J. W. Holloway, of
Seneca. The ceremony will be wit-
nessed by only the members of the
immediate families of the bride and
groom and a few of their most inti-
mate friends. This evening a recep-
tion will be tendered in honor of the
bride and groom-to-be at the Verner
home. In advance of the happy
event that will unite these two popu-
lar young people we extend the heart-
iest good wishes and congratulations.

Killed by Lightning on Beach.

Jacksonville, Fla., June 12.—E. C.
Zimmerman, a young man 20 years
of age, was killed by lightning at
Pablo Beach this afternoon. With a
party of friends he was headed for
the surf, being dressed in his bathing
suit, and while running on the beach
was struck down by lightning. R. B.
Miami, one of the young men with
him, was knocked unconscious, and
it required the work of several hours
by physicians before he was brought
around and pronounced safe.

THE AUTOS REACH NEW YORK.

57 Out of the 70 Pull Into Gotham on
Schedule Time.

New York, June 13.—Just at 4.30
o'clock this afternoon, punctually on
schedule, 57 of the 70 automobiles in
the Atlanta Journal-New York
Herald good roads tour turned into
the City Hall Park. From the steps
of the City Hall Mayor Gaynor re-
viewed the long line, and the tour-
ists proceeded to Herald Square,
where the 1,100-mile journey ended.
Eight more cars that met with acci-
dents along the way are expected to
finish the trip.

The first stop in Metropolitan ter-
ritory was at St. George, Staten Is-
land, where the tourists were enter-
tained at the Staten Island Club. Af-
terward there was a dinner at a Sta-
ten Island hotel, during which Mayor
Gaynor welcomed the travelers to
the city.

The mayor commented that ten
years ago such a tour would hardly
have been contemplated, while to-
day Hamilton's airship had sailed
from New York to Philadelphia. Such
progress in another ten years, he
said, would wipe out sectionalism en-
tirely and there would be no North,
South, East or West.

them a trial and get well. Sold by

WERE AFRAID OF SMALLPOX.

Kentuckians Fire on Smallpox Suffer-
ers in Hospital Car.

Wheeling, W. Va., June 14.—Ken-
tuckians guarding their State against
invasion by smallpox victims killed
two men and wounded several others
at Crum, W. Va., to-day when they
opened fire from the Kentucky side
of the dividing line streams on a hos-
pital car on the Norfolk and Western
Railroad which was crowded with
negro patients. The Kentuckians had
heard that the West Virginia author-
ities intended to ship the smallpox
sufferers across the river and an
armed crowd hurriedly gathered on
the Kentucky shore and fired across
the narrow stream into the crowded
car before explanations could be
made. A posse has been organized
to arrest the men who did the shoot-
ing.

Marvelous Discoveries

mark the wonderful progress of the
age. Air flights on heavy machines,
telegram without wires, terrible war
inventions to kill men, and that won-
derful discovery—Dr. King's New Dis-
covery—to save life when threatened
by coughs, colds, la grippe, asthma,
croup, bronchitis, hemorrhages, hay
fever and whooping cough or lung
trouble. For all bronchial affections
it has no equal. It relieves instantly.
It's the sure cure. James M. Black,
of Asheville, N. C., R. R. No. 4,
writes it cured him of an obstinate
cough after all other remedies failed.

Why Take Alcohol?

Are you thin, pale, easily tired, lack your usual vigor and
strength? Then your digestion must be poor, your blood
thin, your nerves weak. You need a tonic and alternative.
You need Ayer's Sarsaparilla, the only Sarsaparilla entirely
free from alcohol. We believe your doctor would endorse
these statements, or we would not make them. Ask him

The endorsement of your doctor will certainly greatly increase your confidence in Ayer's
Pills as a family laxative. Liver pills. All vegetable. Ask your doctor about them.
